President's Update - Happy New Year

2018 was quite the year with your association busy with Phragmite removals, Sport Court build, the annual regatta, art shows, and Sailing races. We also had a municipal election with SSCA's interests well represented by members Bert Liverance as Reeve and Ward 4 Councillors David Ashley, Alice Barton and Rick Zanussi.

2019 has hit the ground running with the launch of our new website. We hope you find it a key source for Sans Souci information. We will also have monthly updates going out to all members by email. If you are not getting the updates, reach out to me or Naomi Campbell - nomes@rogers.com. We will also provide you updates on the plans for the SSCA property as first described at our 2018 AGM.

Wishing you and your family a prosperous 2019!

Eric Armour - e.s.armour@gmail.com
President

Communications Update - New SSCA Website

On January 4th, we officially launched a new SSCA website (www.scca.info) with expanded news and community information online.

As you can see from the Dues invoice, this is also where it is the simplest and most cost effective way to pay your 2019 Dues. Yes, the snail mail option is still available.

Along dues payment, the new website enables you to directly update your contact information through our new on-line member directory section with address information that includes a handy cottage mapping tool. With all this information now housed in the website, there is no longer the need to produce a full Yearbook. In spring 2019, we will instead produce a paper version SSCA Phonebook containing a simple listing of names and numbers. We will also be launching through the website, the ability to download anytime, a printable copy of the SSCA Phonebook with the most current information.

Eric and I hope you will spend some time on the new web-site getting to know the new lay-out and features. This, along with the e-newsletters, will be your key sources for SSCA news and reference information. As always, we welcome your feedback.

Program News

The SSCA is planning many social events for summer 2019! We will have our regular activities like the always popular and amazing Day Camps, Yoga, Book Club, Cottage Socials, and Regatta! As well we are excited to offer a new kid's book club entitled Flashlight Readers, a new schedule of activities happening at the Sport Court (woot!), a Fishing Derby, Sailing Races, and a Multi-Island Golf Tournament. There is tonnes of fun & activity scheduled for all cottagers - stay tuned for a Summer 2019 Calendar of Events!

Sport Court News

Thanks to the generous donations from the Sans Souci Copperhead cottage community the pickle ball basketball multi use courts are ready for play on or just before the May 24th weekend for the whole community..!!

The tentative schedule will be to have pickle ball from 8am until noon, free play for basketball and other activities from noon until 4, pickle ball from 4 to 6 and free play after 6 until the bugs get too bad. Pickle ball is a great activity for all ages and reservations aren't necessary, just come and play.

Don't have equipment? Not to worry, we've got racquets, balls and basketballs in the box beside the courts. For those who are not familiar with pickle ball, we'll publish information in future newsletters and on our new website. Looking forward to seeing you on the courts..!

Environment Update

Next summer we will continue the popular Kids in the Biosphere Program with free nature activity kits for children. Sign up will be in May and June.

Last summer we had great success with phragmites removal volunteer days and we will be continuing our efforts to remove this invasive and destructive plant from our shorelines. We will be tackling any new patches and doing clean up on the old ones that we cut in 2018.

Water quality monitoring with the Lake Partners Program will expand to Spider Bay, Clear Bay and Port Rawson Bay.

We also plan on having a family nature outing to share our collective knowledge on native plants and wildlife. We welcome all to our committee and activities. If interested, please contact me, Katherine Denune. Looking forward to seeing you next summer.

Environment Chair

Associate Membership

Join other like minded young adults as an Associate Member of the SSCA. Our future depends on you! This special under 30 membership is available to relatives of SSCA Members.

Here are some of the many benefits:

- Connect with other young Georgian Bayer's in the area
- Have access to the members only section of the SSCA website
- Become more informed on issues facing our area
- Join other members for special events and outings
- Learn about protecting our environment
- Get involved in the Sans Souci community projects
- Become active in our association committees
- Influence the SSCA of tomorrow

The annual dues for an Associate Member is a moderately priced fifty dollars (\$50.00) per year and includes a first year signing gift and an SSCA decal. All moneys going to support in support of your association.

Interested? You can complete a member application from the website or reach out to me, Gregg Scott for more information. I look forward to meeting you.
