The official grand opening of the Pickleball/ Basketball Court will be held the July First Canada Day Celebration.

The courts will be ready for play when the ice is out and cottage time begins.

The tentative schedule for weekends and the summer will be Pickleball from 8 to noon and 4 to 6, open play from noon to 4 and after 6. There are no user fees.

For those new to pickleball there are racquets and balls available in the storage box outside the courts. There is no need to get a partner or sign up. You just get in line and wait your turn. Pickleball players are generally helpful and eager to teach beginners. You can also arrange to have a partner or set up a group of 4 or more.

Basketballs are also available.

There is no dress requirement (jeans are even acceptable), however to avoid damaging the court surface, proper footwear such as tennis or running shoes is mandatory.

These courts are for the whole community and have been made possible by the generous donations of Sans Souci cottagers.

Let's hope for an early Spring.

Irene Chambers (pennhaven@yahoo.ca) and Norma Tangney (normatangney@yahoo.com).

Book Club

We have some great books lined up for this summer's Book Club events. All SSCA Cottagers and their guests are invited to attend any of the Book Group discussions this summer.

Dates and books information can be found [here](#) at our website.

Ticks that carry Lyme disease getting closer

From the GBA - These ticks appear to be spreading throughout the Province and moving north.

Public Health Ontario is mapping at-risk areas for Lyme disease in 2019 and GBA will publicize the map when available.

For more on this go to this [link](#) on the GBA website.

Community Coordinator - Job Opportunity

GEORGIAN BAY
BIOSPHERE RESERVE

Georgian Bay Forever has summer job opportunities for 2 people from the Sans Souci general area.

The title for these 2 positions is Community Coordinator. The job entails working with communities of The Archipelago to build on our collective past success and continue to teach and manage the invasive plant Phragmites so that it doesn't threaten our coastal wetlands and biodiversity.

These are wonderful opportunities to work this summer in your Georgian Bay community - help it - and make some money. The job pays \$16 per hour.

Here is the **Job Description**

To apply, resumes and cover letter are to be sent to email ed@gbf.org by April 26, 2019 in a single pdf file, with the subject line "Community Coordinator".

GEORGIAN BAY
BIOSPHERE RESERVE

Biosphere Walk: Spring Birds & Flowers - May 18

Join us out on the School House Trail for a Spring Hike! Birds will be flying north for the summer and early spring ephemeral flowers will be in bloom. With chances to see colourful warblers and ducks, be sure to bring your binoculars and camera! For more information go the GBBR site at - [here](#)
