## Our Children are our future

Many of us in the Sans Souci area are second, third, fourth and even fifth generations on the Bay! We are still here because of the natural beauty, pristine waters and the love and friendship of our neighboring islanders, truly no place like it on planet earth.

Our Association strives to keep our island community pristine and safe, and this takes involvement of all generations.

We ask that you speak to your children about their future in the Sans Souci area and that they consider joining the Association as an Associate member. The Associate is an exclusive membership category (ages 16 to 29) created for them, so they can get involved and learn about being great stewards of our island community. Might even make some new friends at the same time.

Please go to our website and click on Membership to sign up, or feel free to contact me for more information. Associate Membership dues are only \$50.00 CDN.

PLEASE JOIN TODAY!!

Sans Souci, Does need some care.
