

## SSCA Weekly eBlast - Aug 29nd, 2019

[SSCA.info](http://SSCA.info)

### Greetings!

Sadly, Summer comes to an end for some of us with the upcoming long weekend. For others, I like to think the fall is the best time of the year at the Bay when the daytime temperatures are just right and the evenings are cool and crisp. The smell of fireplace wood fires fills the evening air. And no bugs!

Into the Fall and through out 2020, your Board will keep you up to date on several issues including Zoning By-Laws review, Hydro One Seasonal Rates, and Amalgamation discussions. We'll also keep you up to date on the progress of the SSCA Building Committee on bringing forward a proposal for the future of the SSCA property. Stay tuned.

Lastly, this will be our final weekly update for the year, changing to monthly updates delivered to your mailbox at the end of the month. As always, we welcome content and your feedback.

Enjoy the long weekend!

Eric

**Eric Armour**  
President, SSCA

## **Donate your non-perishables**

Closing up your cottage and wondering what to do with non-perishable items? You could take them home or one better idea is to donate them to the [Parry Sound Harvest Food Bank](#).

Arrangements have been made with the Township to collect any non-perishable items at their transfer stations. Or you can deliver them to the Harvest Food Bank at 93a James Street, in Parry Sound.

The Food Bank will accept items that are up to a year past their best before date.

---

## **Sept 11th - Huronia Chapter of the Ontario Archaeological Society**

Please join us for a presentation by Jim Shropshir on his research into the evolution of the three earliest buildings at the

Jesuit mission of Sainte Marie I, based on Kenneth Kidd's archaeological excavations of the site from 1940 to 1941.
