

## Sans Souci & Copperhead Association

SSCA eAlert - February 19, 2021

[SSCA.info](http://SSCA.info)

Greetings!

We are reaching out to SSCA members in a call to action on the banning of un-encapsulated dock foam in new docks and dock repairs. This foam can be found on everyone's shore and is getting into our fish. The GBA has put together information on this important issue and a simple tool for submitting your support for Norm Miller's Bill 228.

We also wanted to make you aware of an upcoming GBLT event and information on the GBLT King Family Bursary.

Cheers

Eric

### Banning Dock Foam - Call to Action

GBA is supporting Norm Miller's (MPP, Parry Sound-Muskoka) Bill 228 to ban un-encapsulated dock foam in new docks and dock repairs. The GBA has written to all MPPs to support the Bill, and are now asking GBA member association members to consider sending an email to their MPP in support as soon as possible.

GBA has set up a really easy way to submit an email using an online portal to do this at:

<https://dockfoam.good.do/saynotodockfoam/saynotodockfoam/>

Background information is available [here](#)

There is some urgency to get this out to you before the second reading of this Bill on February 23rd.

Detail from Harvest Moon #2 by 2019 bursary winner Kyle Scheurmann

## King Family Bursary - Apply now!

The **King Family Bursary** was created to support special projects which promote knowledge and appreciation of the eastern shore of Georgian Bay and the North Channel, and its unique environment, history, communities, and/or culture. Scientists, academics, artists, authors, musicians, writers, and others are encouraged to apply.

GBLT are now accepting applications for the 2021 King Family Bursary. This \$3,500 bursary, funded by Wally and Marilyn King, supports projects that promote knowledge and appreciation of Georgian Bay and the North Channel's environment, history, communities, or culture. It is open to all disciplines, including but not limited to science, art, literature, humanities, and more. If you have an idea for a project, we would love to hear from you!

Visit [gbt.org/bursaries](http://gbt.org/bursaries) for more information and to apply. Applications are due by **March 1st**.

### GBLT - Snakes of Georgian Bay with Kenny Ruelland

**Saturday, February 20th, 10-11 am**

Kenny Ruelland is the founder of **Reptile and Amphibian Advocacy**, and a frequent contributor to the Georgian Bay Land Trust's reptile work. He will lead us through a fascinating tour of Georgian Bay's many snake species, and answer audience questions about these often misunderstood animals.

**Register here** to attend. All ages are welcome!
