

Iron City Fishing Club

2025 Maintenance Staff Employment Information

About Iron City Fishing Club

Located on the scenic shores of Georgian Bay near Woods Bay, **Iron City Fishing Club (ICFC)** has been a cherished summer destination for families since **1901**. With over 50 family cabins, a beautiful waterfront, and extensive campgrounds, ICFC is proud of its rich history, vibrant community, and dedication to providing a peaceful, nature-filled escape for its members.

We are excited to offer **seasonal employment opportunities** for individuals interested in joining our **Maintenance** team for the 2025 season. This guide provides all the information you need to apply and prepare for a rewarding summer at ICFC.

Work Period & Schedule

Season: April – October (exact start/end dates may vary)

Hours: 8 AM – 5 PM (with scheduled lunch and breaks)

Commitment: Minimum of 40 hours per week/Maximum 50 hours per week

Position Summary

The **Maintenance Team** ensures that ICFC's facilities, docks, boats, and grounds are safe, functional, and beautiful throughout the season. This hands-on role requires physical work, problem-solving, and a passion for outdoor tasks.

Key Responsibilities:

- General maintenance of campgrounds, cabins, and common facilities
- **Dock maintenance:** seasonal setup, repairs, and winterization
- **Groundskeeping:** mowing, trimming, raking, landscaping, and garbage collection
- Preparing and winterizing boats for seasonal transitions
- Assisting with small projects (painting, carpentry, basic plumbing)
- Operating the **boat taxi service** and running errands (**Ontario Boating License required**)

Seasonal Duties:

- **In-Season (June – August):**
 - Deploying and maintaining boats
 - Dock repairs and upkeep

- Daily grounds maintenance and support with camp events
- Assisting members with light facility repairs
- **Out-of-Season (April – June & September – October):**
 - Opening/closing cottages and camp facilities
 - Repairing damage from winter weather
 - Turning water systems on/off and winterizing camp infrastructure

Required Skills & Qualifications:

- Ability to perform physically demanding tasks
- Strong problem-solving and mechanical skills
- Team-oriented with good communication skills

Preferred (but not required):

- **Ontario Boating License** (mandatory for boat operations)
- Basic knowledge of tools, equipment, and small engines
- Experience in carpentry, landscaping, or boat maintenance
- First Aid/CPR certification

Compensation & Benefits

Wages

- Competitive hourly pay
- Additional honorariums for specialized roles (e.g., lifeguard certification)
- Opportunities for performance-based bonuses

Room & Board:

- **Private accommodations** with Wi-Fi, TV, full kitchen, and private bathroom
- **3 meals per day** provided when the Dining Hall is open (June - August)
- **Free laundry facilities**

Staff Perks & Amenities:

- **Outdoor staff area** with firepit, BBQ grills, picnic tables, and games (horseshoes, cornhole, etc.)
- **Access to ICFC recreational facilities:**
 - Fishing, boating, kayaking, and canoeing
 - Tennis, volleyball, basketball, putting green and shuffleboard courts
 - Nature trails, library, and more
- **Parking pass** at the local marina
